Updated November 2026

This is a record of attempts that did not work out. It is inspired by Jia-Bin Huang's CV of Failure and the wider practice of making the hidden side of academic life visible.

Degree programs I did not get into

2025 **PhD in Computer Science, Fall 2025 admission** *Columbia University*

2025 **PhD in Computer Science, Fall 2025 admission** *Cornell University*

2025 **PhD in Computer Science, Fall 2025 admission** *Rice University*

2025 **PhD in Computer Science, Fall 2025 admission** *University of Maryland, College Park*

2025 **PhD in Computer Science, Fall 2025 admission** *University of Wisconsin-Madison*

Papers and projects that were rejected

2026 **NeurIPS 2026** *Conference on Neural Information Processing Systems*

2026 **ECCV 2026** *European Conference on Computer Vision*

2025 **ICCV 2025** *International Conference on Computer Vision*

2025 **CVPR 2025** *Conference on Computer Vision and Pattern Recognition*

2024 **CVPR 2024** *Conference on Computer Vision and Pattern Recognition*
